SUPPLEMENTAL INVENTOR DECLARATION

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Further to the declaration filed with the U.S. PTO on January 22, 2004, and subsequent to the telephone discussion between Examiner Padmanabhan and Applicants' representative on February 20, 2004, we, the inventors of the above-identified patent application, affirm that the inventions identified in Figures 1 and 2 of U.S. Patent application Serial No. 09/919,859 were not only mistakenly labeled as prior art but also are our own invention. As noted in the declaration of January 22, 2004, the errors made in labeling original Figures 1 and 2 were made without deceptive intent.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

Application No. 09/919,859
Reply to Office Action of July 28, 2003

United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
